

**WE AT "ARS SPORTS" CREATE WORLD CLASS ARENAS**

Every great journey starts with a single step and the journey of success for "ARS SPORTS" is no exception. It all started way back in 2007, when Mr.Elshan Rasulov laid the foundation of "ARS Sports". Having a vast experience in sports infrastructure, he blended his experience and vision-giving ARS sports a profound foundation. In 2007 "ARS SPOR SISTEMERI ITH, THR. SAN. TIC. At ARS Sports we firmly believe that our customers should get the latest products and technology way ahead of our competitors. This is the reason our "Research and development" department has always been kept on their toes for developing new age innovative products.
